

4-H Horse Registration

Due: May 1

Attach a sharp, clear, bright, color picture of your horse, pony, or mini in this area. Horse, pony, or mini should be at a 45-degree angle to the camera with face up and in halter only. No other tack or rider! This is an identification photo and should be taken from the side that shows the most markings. Take photo as close to the horse, pony, or mini as possible, while still showing the entire body including tail, legs, all four feet, and ears. The horse, pony, or mini should be clean of excessive mud and dirt so that color and markings are clear.
